# BIOFOCUS BAR

## Chocolate Covered Peanut Butter Crunch

A comprehensive multi-vitamin/mineral specialty bar with nutritional support for healthy neurological and cognitive function.

- Macronutrient balanced, palatable food bar
- Mostly organic ingredients
- High quality protein from organic peanut butter and whey
- Nutrient dense to support better nutritional habits
- Contains specialty nutrients to improve concentration and brain function
- Sweetened with evaporated cane juice, FruiTrim®, and agave syrup
- Macronutrient balanced for a healthy glycemic index

Convenient and delicious nutrition for children on the go. Nutritionally designed to promote blood sugar stability, improve nutrient density, and support neurological and cognitive function. Research has shown that a balanced healthy diet, especially one rich in essential vitamins and minerals, can correct low blood concentrations of the nutrients that are essential for proper brain function. BioFocus Bars are designed to be used as a between meal snack or meal replacement to balance blood sugar levels and help children stay focused and on task
